Manufacturer of Takeaway Food Packaging

About the company

Headquartered in the sacred city of Varanasi with a strong historical background, domain knowledge and experience of over 60 years in the paper trading industry, like minded people started the company to serve the HORECA industry, by offering eco-friendly custom made food packaging products.

Our group company GreenPack LLP, Started in 2018 and within a year of its establishment, became one of the largest raw material suppliers for the Paper cups industry in Pan India. Which has been highly recognised and appreciated by the industry.

After the success of our above venture we have forward-integrated to start manufacturing of Finished Products. With State of the art manufacturing facilities and In-house raw materials processing units, we aim to provide premium quality products. All our products are eco-friendly, recyclable and custom made with International Standard and Quality.

We are on the mission of reducing plastics, would love you to Join Us.
